DEDICATION

HOWARD C. HOLMAN

This past year Mr. Howard C. Holman retired from the office of Selectmen after twenty years of service to the Town of Fitzwilliam.

During his years of service, his outstanding integrity, loyalty and dedicated interest, were important factors, in his helping make Fitzwilliam a town of which we all can be proud.

In deep appreciation for your efforts, knowledge and guidance over the past twenty years, we dedicate the 1987 Town Report to you, Howard C. Holman.

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT 1988

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said state, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the eighth day of March next at seven (7:00) o'clock in the afternoon to act on the following subjects:

ARTICLE 1. To bring in your votes for the election of one Selectman for three years, one Selectman for one year, one Fireward for three years, one Moderator for two years, one Cemetery Commissioner for three years, one Cemetery Commissioner for one year, one Trustee of Trust Funds for three years, one Trustee of Trust Funds for one year, one Trustee of the Library for three years, two members of the Planning Board for three years, one member of the Planning Board for two years, two members of the Budget Committee for three years, one member of the Budget Committee for two years, one member of the Budget Committee for one year, one Supervisor of the Checklist for six years, and three Commissioners of Plante Memorial Park for one year.

ARTICLE 2. (By Petition) (By Ballot) "To combine the offices of Town Clerk, and Tax Collector into a single office of "Town Clerk-Tax Collector" as authorized by RSA-41:45-a. Office to become effective upon the election and qualification of a Town Clerk-Tax Collector at the 1989 Annual Meeting; term of office to run three years."

ARTICLE 3. (By Ballot) "Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Land Usage By-Laws as follows:

Amend the Table of Principal Uses (page 5), item 3.3.1, Single Family Dwelling by adding the phrase "including manufactured housing and presite built housing" so that paragraph 3.3.1 would read as follows:

"3.3.1 Single family dwelling, including manufactured housing and presite built housing", and

Amend Section 3, Table of Principal Uses, Principal Use Definitions and Accessory Use Regulations, paragraph 3.3.1 (page 8) Single Family Dwelling by adding the following to the end of the sentence: "including manufactured housing as defined in RSA 674:31 and presite

built housing as defined in RSA 674:31-a", so that paragraph 3.3.1. would read as follows:

"3.3.1. Single FAMILY DWELLING-a detached DWELLING UNIT, designed as the residence of one family, including manufactured housing as defined in RSA 674:31 and presite built housing as defined in RSA 674:31-a".

and

Amend paragraph 3.7, Prohibited Principal Uses, item 3.7.4, General (pages 11-12) by deleting the phrase "mobilehome;" from said item but otherwise leaving the item intact, so that said paragraph would read as follows:

"3.7.4 General - Rental of automobiles, trucks or trailers, including truck-trailers; development of water resources for private commercial sale; landing or take-off of motorized aircraft; hospital; mobilehome park; mobilehome sales; privately owned cemetery; trailer camp; facility for truck or trailer cleaning and washing; truck terminal."

ARTICLE 4. (By Ballot) Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Land Usage By-laws as follows:

Amend the Land Usage By-Law by deleting all provisions for and references to Site Plan Special Permit.

ARTICLE 5. (By Ballot) Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Land Usage By-Laws as follows:

Amend the Land Usage By-Law by deleting Section 9, Planned Conservation Residential Community District, in its entirety along with all other references to the Planned Conservation Residential Community District contained in the By-Law and re-numbering subsequent sections accordingly.

ARTICLE 6. (By Ballot) Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Land Usage By-Laws as follows:

Amend the Table of Principal Uses, item 3.2.3, Earth Removal by deleting "SPA" in those columns in which it appears and inserting in its place "RSA 155-E",
and

Amend Section 3, Table of Principal Uses, Principal Use Definitions and Accessory Use Regulations, paragraph 3.2.3. Earth Removal, (page 8) by inserting the following additional sentences at the end of said paragraph:

"In those Districts denoted by the designation 'RSA 155-E', earth removal shall be regulated by the Planning Board pursuant to the provisions of Chapter 155-E, New Hampshire Revised Statutes Annotated, as amended. The Planning Board is hereby authorized to adopt such regulations as are reasonably necessary to carry out the provisions of said statute including a permit fee schedule", so that paragraph 3.2.3 reads as follows:

"3.2.3 Earth Removal - The removal of earth products from a LOT, including but not limited to, sand, gravel, soil, loam, and mineral products. The removal of earth products which is incidental to and in connection with 1) the necessary excavation and grading of a site for a BUILDING, or STRUCTURE and its appurtenant driveways or parking facilities for which a permit has been granted by either the Building Inspector, the Board of Selectmen, the Planning Board or the Board of Adjustment, or 2) the construction of a STREET approved under the Subdivision Regulations, shall not be considered as earth removal for the purposes of this provision. In those Districts denoted by the designation "RSA 155-E", earth removal shall be regulated by the Planning Board pursuant to the provisions of Chapter 155-E, New Hampshire Revised Statutes Annotated, as amended. The Planning Board is hereby authorized to adopt such regulations as are reasonably necessary to carry out the provisions of said statute including a permit fee schedule."

ARTICLE 7: (By Ballot) Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Land Usage By-Laws as follows:

Amend Section 4, Overlay Districts by deleting reference to Coastal Flood Hazard Provisions, particularly deleting the following:

Paragraph 4.1.7 Coastal High Hazard Area
Paragraph 4.1.31, V-Zone
Paragraph 4.9 through 4.9.5 concerning Coastal High Hazard Areas

ARTICLE 8. (By Ballot) Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town Land Usage By-Laws as follows:

Amend Section 10.5 Variances, paragraph 10.5.5, Mandatory Findings (pages 51-52) by deleting said paragraph and inserting in its place the following:

"10.5.5 Mandatory Findings - Before granting any variance from the provisions of this By-Law the Board of Adjustment shall make specific findings that all of the following conditions are present:

10.5.5.1 No diminution in the value of surrounding properties would be suffered.

10.5.5.2 Granting the variance would be of benefit to the public interest.

10.5.5.3 Denial of the variance would result in unnecessary hardship to the owner seeking it.

10.5.5.4 The granting of the variance would not be contrary to the spirit of this By-Law."

ARTICLE 9. (By Ballot) Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town Land Usage By-Laws as follows:

Amend Section 10, Administration, paragraph 10.1.1 to clarify the responsibilities of the Board of Adjustment by deleting said paragraph in its entirety and inserting in its place the following:

"10.1.1 To hear and decide appeals if it is alleged that there is error in any order, requirement, decision, or determination made by any administrative official in the enforcement, administration or interpretation of this By-Law."

ARTICLE 10. (By Ballot) Are you in faovr of the adoption of Amendment No. 8 as proposed by the Planning Board for the Town Land Usage By-Laws as follows:

Amend the Land Usage By-Laws by deleting all reference to the R3 and R5 Districts and combining said Districts into a single new Rural District. In all references to the provisions, requirements or standards for the R3 and R5 Districts, the standards set out for the R3 District shall apply in the Rural District, and

Amend the Table of Standard Dimensional

Regulations (page 54), by inserting the following as footnote #3 with respect to the Minimum Lot Area in Sq. Ft. in the new Rural District:

"(3) In the Rural District the minimum lot area shall be 120,000 sq. ft.; however not less than 80,000 sq. ft. in any lot in the Rural District shall consist of soils which are rated as moderately drained or better by the Cheshire County Conservation District."

ARTICLE 11. (By Ballot) Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the Town Land Usage By-Laws as follows:

To adopt the new map entitled "Land Use Districts of the Town of Fitzwilliam"

Polls will open not later than 2:00 p.m. and close not earlier than 7:00 p.m., or such later time as shall be authorized by vote of the town.

ARTICLE 12. To hear and act upon the reports of agents, committees and officers heretofore chosen.

ARTICLE 13. To see if the town will vote to appoint a committee to have charge of the Memorial Day exercises, or take any action thereon.

ARTICLE 14. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

SELECTMEN'S REPORT 1987

Another year has passed and the Annual Selectmen's Report is due. This year we would like to begin our report by expressing our thanks and deep appreciation to all who served Fitzwilliam and its people so well on the various Town Boards and Committees. The work has become more demanding, complex and time consuming but without your efforts, our Town Government could not function. Please keep up the good work and encourage others to become involved. You are needed and your work is appreciated.

In June, Selectman Howard C. Holman retired after twenty years service to the Town as a Selectman. This years Annual Town Report is dedicated to Howard by vote of the Board of Selectmen. His knowledge of the Town and his wise council and advice will be greatly missed by us all while his record of service to Fitzwilliam is legendary and hard to match.

Don Crutchley was asked by the remaining two Selectmen to step forward in August and fill Howard's position on the Board of Selectmen until the Annual Meeting in March at which time he will stand for election for a three year term on his own.

Each year we have discussed the growth of the Town in our Annual Report. The same holds true for this year. We issued a 144 building permits during 1987 with 49 of those being for the construction of new homes. Our assessed valuation rose from $44,549,050. in 1986 to $48,076,690. in 1987. This is an increase of 7.9%.

This growth in value and numbers of people is having a decided impact on the town. Police, highway and fire services are effected and need to be strengthened to to meet the increased challenge. Nowhere is this more evident than in the Selectmen's office. For a number of years, we have recognized the need for Administrative help in this office. The work load was increasing and the needs of the public had to be met. A decision was put off year after year with the thought that we could make do just a bit longer.

Howard Holman's retirement in June brought the problem to a head. For twenty years Howard handled the Administrative duties of the Town. His departure left us without any further choice. We hired Miss Brett Johnston as our Administrative Assistant to the Board of Selectmen and extended the office hours of the Selectmen's Office to meet public demand. These steps along with the codification of the Town Laws and a few managerial changes should help smooth the Administrative operation of the Selectmen's Office in meeting the growing demands from the State and Towns people.

Looking down the road, the Board of Selectmen are recom-

mending that an addition or annex to the Town Hall be constructed. This addition would replace the current Police/Fire Station and extend partially behind the present Town Hall. The purpose of this addition would be:

a. To provide adequate facilities for the Police Department.
b. To provide two full size bays for Fire Department Equipment.
c. To provide space for the Town Clerk/Tax Collector and the Selectmen.
d. To satisfy requirements for handicapped and/or elderly access.
e. To provide facilities for the storage of Town records - particularly Historic records.
f. To provide sufficient facilities so that all Town departments/committees can operate out of the Town Hall.

The subject of additional space has been discussed numerous times and been the subject of a two year committee study. After all the discussion, it appears that the general consensus is for expansion of town facilities to take place at the Town Hall location rather than construct a stucture at some other location. The Board of Selectmen feel that the question has been thoroughly discussed and the time has come for a decision and action.

We propose to connect this addition to the rear of the present Town Hall. The design to be Colonial in nature with an effort made to recreate the effect of the horse barns and carraige sheds which orginally existed in that general location. Steps would be taken to preserve our Historic building. We feel however, that our Town Hall, although Historic, should stay a working Town Hall.

We are requesting authority to interview and hire an architect this year for this purpose. The funds requested cover the cost of preparing preliminary drawings and concepts. We propose to submit the design at the 1989 Town Meeting for approval. At that time we would recommend a bond issue to fund the project over fifteen or twenty years depending on cost. Should you approve the design and bond issue, the working drawings would be developed and we would go out to bid probably during the summer or early fall of 1989. We would expect a completion date of 1990.

Solid Waste is once again a topic for our report. We are a member of the Ashuelot Valley Refuse Disposal District whose efforts to establish a landfill have been reported almost daily in the local press. At this point, they are back to the starting point. Certainly no closer to a solution than they were last year.

We have been approached by the Jaffrey Board of Selectmen who are interested in upgrading their present landfill into a long range operation. The plan is still tentative and hinges heavilty on State spproval. The initial reaction

from the State appears very encouraging. The Jaffrey Board has offered us an opportunity to enter into a long term agreement with them, with three towns (Jaffrey, Dublin and Fitzwilliam), sharing the costs. We believe that their offer constitutes the best and most practical arrangement posed to date. We have inserted a Warrant Article requesting authority to enter into a long term arrangement with the Town of Jaffrey. We have also inserted an Article relative to withdrawing from Ashuelot Valley should we go ahead with the Jaffrey arrangement.

Please note the cost of Solid Waste disposal is up sharply from last year. This years budget reflects the cost of entering into an agreement with the Town of Jaffrey and the Engineering and startup costs of a revised landfill operation. We expect a reduction after the first year of approximately $40,000.00 with future year expenses relatively constant.

We are also proposing to start at least limited recycling. There is no question that any future solid waste plans will include recycling and the sooner we get started the better.

The Rhododendron Road project has for all practical purposes been completed. We will be evaluating the project in the Spring, particularly the "pug mill mix" paving job, to see how it comes through the winter. The paving was recommended by the State Highway Engineers and we are considering using the same method on other road projects in the future. The major work to be completed is the closing of the gravel pit on State Park property. Fundwise it appears we are in good shape, however, the State has not submitted its final bill. The Board wishes to congratulate both the State Highway Department as well as our own Highway Department on this very successful project.

Work has progressed on the Royalston Road project. This year we are requesting $85,000. to complete the project from the Holman Road to the State Line, a distance of slightly over two miles. We are planning on completing the project including paving with pug mill mix by July 1, 1988. We would particularly like to extend our Thanks to the landowners who have given the town increased right-of-ways so that we could straighten out curves and widen where needed. Mr. and Mrs. Kenneth Roberts, Mr. and Mrs. Charles Kenison, Mr. Richard Dwinell and the Associated Sportman's Club. In two areas we have inserted Articles in this years Warrant to discontinue sections of the town road bed so that it will revert to the abutters.

The next major road project is the West Lake Road. Dispite a very high budget this year we have requested $50,000. in order to start this project. We don't feel that we can wait any longer. We are planning on a second appropriation during 1989 to complete the project.

The Board of Selectmen realize that there is an increasing requirement to upgrade Town roads. The Town is growing

with much of the growth taking place on roads considered to be substandard. Where new roads are involved, we expect the road to be constructed to our standards by the developer and then taken over by the Town. On existing town roads, we are considering requiring the developer to contribute towards the cost of upgrading the road. This however will not free the Town from having to raise large sums of money as well. We are working with the Road Agent to develope a long range plan in this regards.

The year 1987 seems to have brought requirements for a number of changes in our Town and the way we have been used to doing things. An increase in building, business, people, cars and trucks in Fitzwilliam has placed heavier demands on town services and required more detailed and long range planning to handle any future increases. Decisions must be made more quickly than before and problems not postponed for later consideration.

In spite of the increase in numbers, the Board of Selectmen hope that we can handle Town growth on Town terms and not by uncontrolled outside developement.

Board of Selectmen
Town of Fitzwilliam, New Hampshire

We have examined the financial statements of the various funds and account groups of the Town of Fitzwilliam, New Hampshire, for the year ended December 31, 1987, and have issued our report dated January 29, 1988. As part of our examination, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such an evaluation is to establish a basis for reliance on the system of internal accounting control in determining the nature, timing, and extent of auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed derived benefits and that evaluation of these factors necessarily requires estimates and judgments.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally with respect to the estimates and judgments required in the preparation of the financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

Our study of the system of internal accounting control for the year ending December 31, 1987, would not necessarily disclose all weaknesses in the system because it was based on selective tests of accounting records and related data. The study and

evaluation disclosed no weaknesses which we consider to be material. The recommendations which follow were developed from our observation of the Town's operations and are not the result of any special study. We believe the majority of these recommendations arise from non-compliance with established procedures.

CASH RECEIPTS JOURNAL

State law (N.H. RSA 41:9) requires that the Selectman's office maintain a record of all cash received by the Town. Currently cash received is reported on the Treasurer's monthly report but is not summarized year to date for management information purposes. We urge that the Board maintain a record of cash receipts to strengthen control and to provide timely information for decision making.

TRUST FUND REPORTING

The Trustees of Trust Funds annual report for the years ending December 31, 1986 and 1987 were available at the time we completed our audits of those years in summary form. We wish to remind the Trustees that state law requires that appropriate bookkeeping entries for each individual trust fund be made on an annual basis detailing the share of the principal and income of the common trust investment. We urge that the Trustees complete these detailed reports as soon as is possible.

RECONCILIATION OF BOOKS

We noted that in the latter part of the year considerable unreconciled variances between the Treasurer's books and the Selectmen's books existed. We believe it to be essential that the Selectmen and the Treasurer reconcile their books on a monthly basis. We also observed that the Treasurer's cash accounts did not appear to be reconciled to bank balances throughout the year. We urge that bank and books balances also be reconciled on a monthly basis.

ISSUANCE OF DEBT

Article 9 of the 1987 Town meeting authorized the issuance of a one year note for $50,000 to partially finance the reconstruction of Royalston Road. This debt was erroneously issued for $100,000. We urge that the Board of Selectmen immediately retire the over issuance and institute controls which will insure that debt authorizations are carefully investigated before issuance.

A letter of this nature concentrates on identified problem areas. We do not mean to imply criticism of Town Officials but to highlight areas where we believe operating systems can be strengthened. We wish to express our thanks to the Officials of the Town for their assistance during the course of our audit.

FIREWARDS REPORT

1987 CALLS

The Fitzwilliam Fire Department responded to 138 calls in the period from December 1, 1986 through November 30, 1987. There were 16 fire related incidents including structures and automobiles, 5 chimney fires, 3 brush fires, 23 automobile accidents, 7 vehicle incidents other than accidents (such as gas washes and the like), 77 medical emergency calls and 2 special calls for searches. As noted in out 1986 report, we had revised our pay schedules so that certified rescue personnel will be compensated for rescue and medical emergency calls in the same manner as fire fighters for regular fire calls.

EQUIPMENT

Our front line pumpers, the 1978 Ford and the 1965 International continue to be in good condition although body work continues to be necessary on the International, and some repairs can be frustrating to accomplish due to lack of parts on a vehicle of this age. The 1978 Mack tanker and the forestry truck are in good to excellent condition. The 1977 Cheverolet rescue truck is in good to fair condition and needs work on the body. In addition, as noted in earlier reports, due to the heavy use of the rescue truck, replacement of the chassis will be necessary in the near future.

TRAINING

As noted in last year's report, we have mandated CPR training for all fire fighters, and 20 active members were certified during 1987. Recertification will soon have to take place, as this has to be done on an annual basis. We have also made it a requirement that an updated breathing apparatus course be taken, and several members who had not completed the State of New Hampshire Certified Fire Fighters course in 1986 took the breathing apparatus course at Meadowood in 1987. In addition to mandated training, and our monthly drills, many of our members continue to update their skills with various courses at Meadowood and elsewhere, and our rescue personnel are also involved in both EMT and advanced first aid recertification.

1988 WARRENT ARTICLES

At the 1988 Town Meeting we expect to have three "special money" articles on the warrant.

We will have a request for $2,000.00 for the purchase of protective clothing. This is an on-going request to make sure that new members are supplied with the best quality fire fighting gear, and that current members have their gear replaced as needed. During 1987, 3 new bunker gear outfits were purchased for new members and several replacement bunker coats were purchased for current members to replace worn and damaged equipment.

We will also have a request for $2,000.00 to continue the replacement of the four inch hose on the refurbished reel truck. With the $2,000.00 appropriation from the 1986 Annual Meeting, five hundred feet of hose has been purchased and installed on the reel truck. This is the second of four installments to complete the replacement of four inch hose, much of which is fifteen to twenty years old.

Finally, we have a request for an appropriation of $3,000.00 to complete the conversion of the reel truck. In 1987, the Town raised $10,000.00 to supplement a like sum from 1986. The second installment was to purchase and install a pump. Despite numerous attempts to find a capable contractor to complete this job, no quotes were received until late 1987 or early 1988. It is our opinion that the best quote to complete the work on this truck will require an additional $3,000.00 appropriation to supplement the unused funds from last year's appropriation, to get this job completed.

MEADOWOOD

As is our custom, we extend our thanks to the members of the Meadowood County Area Fire Department for their assistance during the preceeding year. We also request your support for the Town's appropriation for the support of Meadowood's operating budget, and ask that you also give your personal support to Meadowood's Annual Fund Drive for capital improvements carried out by the board of directors.

POLICE DEPARTMENT REPORT FOR 1987

1987 brought some unexpected events to the police department. The departure of Chief Kurt F. Schimke after more than fifteen years of impressive service to our town and residents, has caused quite a stir within the department. Although Kurt's leaving necessitated some reorganization, the modifications to the procedures and structure of the department established by Kurt, have been minimal.

Earlier this year, we had to fill a full time position left vacant by the resignation of one of our officers. The position was filled April 1, 1987 by officer Bruce Newton.

The search for a Massachusetts woman believed to have disappeared in Fitzwilliam, required a good deal of time, effort and resources.

As you may know, we have not filled the third full time position created by Kurt's departure. The effects of being understaffed are becoming apparent. If left too long, this can result in a reduction of service. We hope to fill our third position soon.

The total number of service calls were up from the 1986 total of 1,061. The 1987 total was 1,328 calls, some of which included 253 citizen assists, 213 requests to assist other agencies, 150 animal complaints, 153 suspicious persons or vehicle calls and 247 over all service calls.

At this time we are still without an animal control officer. We are doing the best we can to answer all animal complaints. We are looking to fill this position as soon as possible.

Investigated cases totaled 163, a decrease from last year's 194 cases. Property crimes accounted for 66 of the cases, including burglaries, thefts, criminal trespass, criminal mischief and arson.

The number of persons taken into custody went up to 149 persons. Of these, 52 were Minors in Possession of Alcohol. It should be noted that fines from the arrest of Minors in Possession of alcohol are returned to the town. This year, due to these arrests, the town received over $5000.00.

Our drunk driving arrests were down slightly. I feel this is due to a state wide push against DWIs and better public support. We are seeing many more designated drivers, a sign that people are beginning to take drunk driving laws more seriously. Add to that the fact that Fitzwilliam had no fatal accidents in 1987. Since we have been keeping records, in the last ten years, we have had only one other fatal free accident year.

REPORT OF THE CEMETERY DEPARTMENT

The last of April our Sexton of the Cemetery presented his resignation due to his job load and because he was unable to put the amount of time in that was needed to be spent on his job as sexton. I took over the job to rake,clean the lots, mow and have the lots ready for May 30, 1987. I cut a lot of brush on the inside of the cemeteries as well as the outside near the roads. It took all of the help I could get to keep it looking good. The mower and tools were in bad shape. We bought one new commercial mower this year. I had to use another mower to finish the year. We would like to get at least three more mowers this next year.

This past year we spent $500.00 from the trust funds to repair some of the grave stones and curbs. This year we hope to finish the job with $1270.00 from the trust funds.

We have had seven burials in Pine Grave Cemetery and 1 burial in Village Cemetery with two cremations buried in the Village Cemetery. We sold three new cemetery lots in 1987.

This Spring we had to purchase more plant urns. All of the cast iron urns were stolen from the trust fund lots. There are more jobs that will be done this next year if money is available. We are looking forward to continuing the job that was started last year.

Robert Dunton

REPORT OF DEPOT PARK 1987

This year the park committee purchased a new flag pole with a new flag at a reduced price. It adds a lot to the park.

We had three maple trees given to us that we put in. In 1988 we hope to get enourgh money to plant more trees and shrubs. We would like to put in all new walks, grade, and reseed some areas that need it badly. In time we would like to get granite posts to go around the park to keep vehicles off the grass. We are also looking for a suitable stone that we can set the bronze plaque into.

If anybondy can be of any help with any of these projects the Depot Park Commission will be glade to hear from you.

FITZWILLIAMS' 225th ANNIVERSARY

Fitzwilliam celebrated the 225th Anniversary of its settlement with a three day series of events on August 7-9, 1987. Historical tours through the Town Hall and Blake House, Antique displays, a road race, craft and food sales, two band concerts, dinner, Bar-B-Que and parade were all part of the festivities. Special events were a Birthday Ball on Saturday night, August 8th and a magnificient display of fireworks on Sunday night, August 16th.

The Anniversary was sponsored by the Selectmen with all the local organizations and businesses giving their whole hearted support. The New Hampshire Council for the Humanities sponsored Dr. Gerald Daniels of Dartmouth College as the featured speaker at the Old Fashioned Town Dinner on Friday, August 7th. Governor John Sununu, with an entourage of State and County dignitaries, attended and spoke at the musical held in the Fitzwilliam Town Hall on Sunday, August 9th. The music was magnificent.

The Town and the people of Fitzwilliam demonstrated a depth of community spirit for their birthday, which is rare today. Everyone participated from the youngest to the oldest, leaving no doubt in the onlookers mind how we all feel about our town.

No accurate count was made as to how many people attended the festivities. A rough estimate ran to about three thousand in total who saw one or more of the events. The Old Fashioned Dinner, with the giant birthday cake, was attended to capacity. The streets were lined with people to watch the Grand Marshall and his wife, Mr. and Mrs. Howard Holman, lead the parade from the Common to the Depot, while the Bar-B-Que, band concert and fireworks were standing room only affairs.

An initial fund of $5,000. was provided by an Article on the Town Warrant passed at the Town Meeting in March, 1987. This amount was supplemented by donations from businesses and private individuals as well as modest income from the dinner, Birthday Ball and Bar-B-Que ticket sales, allowing the Aniversary to end in the black. The total cost of the three day Anniversary was $12,109.77. Income, including the $5,000. grant was $15,469. The sum of $3,359.23 was returned to the Town Treasurer which has been placed in a special interest bearing account awaiting the pleasure of the vote of the Town at its Annual Town Meeting in March. An Article will be placed on the Warrant to expend these funds in the update, repair or the provision of a new Memorial to the sons and daughters of Fitzwilliam who served their country in World War II, Korea and Viet Nam.

The records of the Anniversary Committee include programs, brochures, names of organizations, and various committees along with a pictoral and written account of the 225th Anniversary. These records have been placed in the Archives of the Fitzwilliam Historical Society as a future reference and source of information.

We, the members of the Steering Committee for the 225th Anniversary, want to thank all those who gave so much of their talent, time and efforts to make this mark in time the success it was.

MEMORIAL DAY COMMITTEE

The Memorial Day Committee wishes to thank all those who helped to make our Memorial Day observance possible. It has been with sincere interest and dedication that Fitzwilliam has carried on observing Memorial Day each year.

These programs were first started by veterans at the end of the War of the Rebellion in 1865.

This year's program consisted of the Welcome by the Honorable Rep. Jesse Davis, Col. Hayes Metzger as guest speaker, followed by traditional patriotic songs, band selections, reading of the roll call, student essay, prayers, raising of the flags and placing of the wreaths and firing of salutes.

Taking part in the program were Boy Scouts, Girl Scouts, Cub Scouts and Brownies, Emerson School Students, Mr. Richard Webber, Monadnock Regional High School Band, V.F.W. Post 10289 and War Veterans and related orders of Veterans.

HIGHWAY AGENT REPORT FOR 1987

This has been a busy year for the Highway Department. The usual summer and winter maintenance has been done. Rock removal, ditching and brush cutting was done on #4 Rd. from Rt. 12 to Stones Mill. Ditching was done on East Lake Rd., West Lake Rd., Howeville Turnpike, Sandy Hollow Rd., Lower Troy Rd., Gap Mountain Rd., Richmond Rd., Pleasant St., Perry Rd., Webber Lane, Collins Pond Rd., Lower Templeton Rd., Bowkerville Rd. The department assisted the State Highway with the Rhododendron Rd. project. We supplied labor and equipment. With the department assistance the project was able to be finished this year. The department also assisted on the Royalston Rd. project. The department stock piled 8,000 yards of crush gravel. We stone sealed the Rhododendron Rd. from Rt. 119 to the State Park. The Lower Troy Rd., Jaffrey Rd., and Creamery Rd., were also sealed. Sand seal was applied to the Causeway, pleasant St., Perry Rd., Church St., Kinsman Rd., Robbins Rd. I wish to thank the Department Heads, Selectpersons and towns people for their assistance throughout the year.

Respectfully submitted,

Edwin O. Mattson Jr. - Road Agent

ANNUAL REPORT OF DISTRICT OPERATIONS

During the year the District was able to add to the 53-B District, Ashuelot Valley Refuse Disposal District, the town of Hinsdale making a total of 19 municipalities of the eligible 22 in that waste management system. The towns of Richmond, Walpole and Winchester have yet to finalize a waste management system. The district, during the year made available engineering assistance when desired. Walpole is awaiting final engineering reports, Winchester is also in the final engineering stage but still has not reached any appropriate waste management system which can be discussed and approved by the District and the Board of Waste Management.

In June, 1986, The District approved three possible sites (Chesterfield, Keene and Winchester) for the construction of a doublelined, leachate controlled and monitored regional landfill. These three sites were turned over to the 53-B sub-district (Ashuelot Valley Refuse Disposal District) for final site selection. Public information hearings were held in each of these three municipalities during August of 1986.

Our consultants provided engineering overview on recycling which indicated as much as 20% to 30% of the solid waste stream is recyclable and must be accomplished to extend the life of a regional landfill and achieve efficient burning in a waste-to-energy plant if such comes on line in four to seven years.

The Recycling Committee is continuing in its' research phase and continues working to develop a regional plan. Information and procedures for composting a yard waste was promulgated to municipalities for utilization as they so desired.

The District's Plan (149-M) was finalized and submitted to the Waste Management Division of the Department of Environmental Services. Basically this Plan covers all aspects of solid waste in the district including tonnage of waste, septage disposal, and existing facilities, etc. The Plan was approved by the Waste Management Division of the Department of Environmental Serv. on October 19, 1987 (copy attached).

In the coming 1988/89 year the District's direction will be focused on:

a) Finalizing a recycling plan for the total 22 municipalities.
b) Assisting municipalities in establishing transfer stations.
c) Continued public education on all aspects of solid waste from creation to final disposition.

I personally would like to thank each of the 22 municipalities for their representatives. They are a dedicated group of volunteers and without them our progress to date could not have been achieved. I urge you and any resident of your municipality to attend the monthly district meetings to become fully aware of the solid waste problems and the solutions as they evolve.

Sincerely yours,

Robert Rieseberg
Chairman

LIBRARIAN'S REPORT 1987

The year 1987 was a busy one for the Library. Library circulation in 1987 totalled 12,019 (up 2,000 from last year!). We acquired 472 new books and discarded 157 as well as our record collection. The library collection now stands at over 14,000 volumes.

The Library building is in very good shape after the extensive renovations of 1986. In 1988 the only major renovation we are looking at is the need for new fencing at the front of the building. We are also looking forward to having a site plan review done for adding handicapped access to the building.

The Alice Cleveland Fund purchased 75 new books in 1987 with memorial books accounting for 9 and other trust funds purchasing 148 books. A new set of 1988 World Book Encyclopedias and 27 magazines and newspapers.

The generosity of the Friends of the Library this year purchased a new copier as well as 48 books, 2 filmstrips, book covering materials and a card catalog section.

The Friends also sponsored 3 programs, an Open House and our annual National Library Week Balloon Launch celebration. In addition, they underwrote our successful Summer Reading Program with prizes for all.

Other events in 1987 included pre-school storytime, March and October Film Months and a wonderful Art in the Library program sponsored by the Grand Monadnock Art Council. Last summer we held weekly storytimes as well as 8 weeks of arts and crafts classes. Thanks to all who volunteered their time.

The Library added 4 more hours to our schedule in 1987 for a total of 22 hours a week. We have almost completed our accredidation requirements for inclusion in the State Library System.

Ahead in 1988 we will concentrate on makeing greater use of the Statewide Library System and on meeting the needs of the town as it continues to grow at a rapid pace. We hope to continue our programming efforts with the goal of increasing usage of the Library.

Respectfully submitted,

Susan Massin, Librarian

FITZWILLIAM PLANNING BOARD

An active Board of six members and three alternates served the 1987 Planning Board as well as a member of the Board of Selectmen.

Top priority was to consummate the Fitzwilliam Land Usage By-Laws which was accomplished with the expertise of Dave Edkins, SWRPC Planning Assistant. A Special Town Meeting was held December 22, 1987 accepting six amendments to simplify and clarify wording of the Land Usage By-Laws. This action may need to be repeated from time to time.

Other gains this year included a new map file and employing a secretary for the Board. This action has allowed us to operate meetings more smoothly and in fairness to all who need to come before us. It is our desire that cases to come before the Planning Board contact the Secretary,be placed on the Agenda, and then be further advised as to what is expected.

This coming year our endeavor is to work on the Capital Improvement Plan and to update the Master Plan.

We meet the First and Third Tuesday of each month, Town Hall at 7:00 P.M.

All our meetings are open to the Public and we encourage your participation at our Meetings.

Respectfully submitted,

Richard Ford, Chairman
Marjorie H. Ayers,
Corresponding Secretary

SPORTSFIELD COMMITTEE

This committee has spent the summer tieing up the loose ends. Tom Flavin completed the survey of the "GF" boundary on the school property. The maps were sent to the state. Final paperwork was completed by the Selectpersons. Plans to begin work next summer will be discussed with John Penny from Concord.

During excavation work, at the Emerson School project this summer, several yards of free fill were hauled to the Sportsfield. Most of the fill was delivered to the right field area which had the lowest slope from centerfield.
